

Technical Information:

BOXES WITH FIXING FLANGES

GENERAL PURPOSE BOXES WITH BASE & SLOTTED MOUNTING LUGS

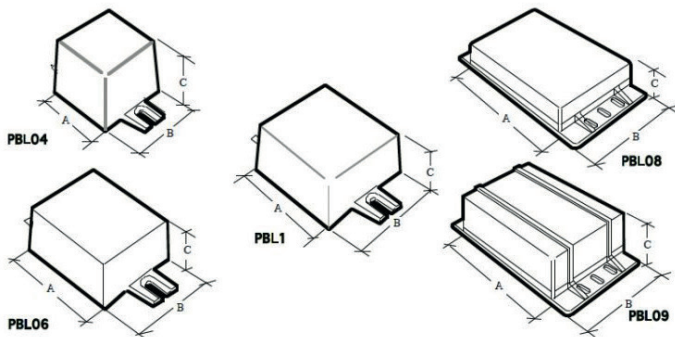

OVERVIEW

Low cost general purpose boxes moulded in black ABS for housing small electronic circuits which can be easily punched or drilled for individual requirements. The slotted lugs allow for fixing of the finished product.

Bases on the PBL04, PBL06 and PBL1 are intended as an interference push fit but could be glued to provide a secure housing. Bases on the PBL08 and PBL09 are retained by the 4 stainless steel screws provided. Originally designed for automobile applications, but versatile enough for a variety of projects.

PART NO	OVERALL DIMENSIONS			NOMINAL WALL THICKNESS (MM)
	A (MM)	B (MM)	C (MM)	
PBL04	42	42	42	2.5
PBL06	66	50	34	2.5
PBL1	58	58	31	2.5
PBL08	72	50	17	2.5
PBL09	72	50	27	2.5
