

Technical Information:

SPEAKER HOUSING

HOUSING FOR INTERNAL SIREN,
EXTENSION SPEAKER & INTERCOM

OVERVIEW

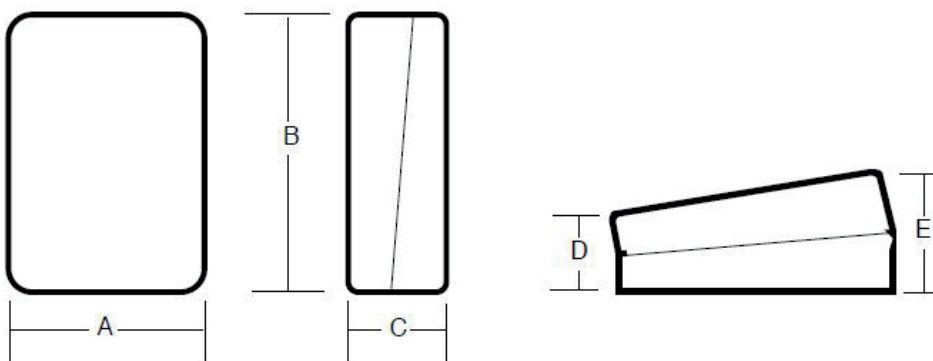

Cleverly designed and attractive two piece white ABS case with louvred front and recessed panel. The two halves may be clipped together in different ways to provide either a sloping or standard shaped box.

Internal locating pegs are provided to accommodate a standard 87mm diameter mylar cone speaker. Cable knock-outs are provided at the top and bottom back edges of the case.

Ideal for intercoms, extension speakers, internal alarms, sirens etc.
